

ERK OTOMOTİV SAN. TIC. A.Ş.

ABOUT US

For 65 years our ERK OTOMOTİV A.Ş. company has been dealing with whole sale of Ford genuine and after market spare parts for domestic and foreign markets. Our company is the partner of Şahin Motor Yataklar'ı factory and at the same time authorized distributor of Meylet products in Turkey. Besides, we have FIX-PART brand which is our own product. Thus, we are proud of being able to present our own products which has suitable prices for the market . Our company trades both OEM and AFTER MARKET spare parts. Our objective is to create a sales network by providing our specialities to the benefit of our partner in order to enlarge the market. Your demands and any kind of suggestion will be appreciated in order to provide you a better service and satisfaction.
