

ESSA AIR SUSPENSION SYSTEMS

The Art of Successful Airspring!

ABOUT US

FOURES AIRSPRINGS is a continuous developing partner and aftermarket equipment producer for the commercial vehicles with air suspension systems such as buses, trucks, trailers etc. Our company works as an aftermarket supplier and has many customers from Europe and Middle East. Actively we have export to USA, Dubai, Hungary, Poland, Macedonia, Ukraine, Letonia, Afghanistan, Romania, Russia, Saudi Arabia, Nigeria, Iraq... FOURES not only makes airspring production but also produces own mold and machinery on its own constitution. FOURES, with its strong global reputation, continues to grow up in airsprings market through the World.
