### ABOUT US

SEHA OTOMOTIV Co. Ltd. was established in 1996 in Bursa, which is one of the important industrial cities in TURKEY. At that time the company was started producing bus and truck parts.

Besides this, Seha Otomotiv offers unique mold solutions to the automotive sectors and a variety of other sectors.

Since 2006, we have been developing a range of air springs with metal components. Our company sells metal components for both domestic and international air spring manufacturer.

With our experienced and qualified staff, in 2009, Seha Otomotiv began air springs production with the Turctech brand.

We have succeeded in exporting our products to more than 40 different countries in a short period by keeping quality and customer satisfaction as a priority.
