

# TARMOND LUBRICANTS

## ABOUT US

As Tarmond Lubricants from Turkey, we have ISO certificates and by producing high-end quality lubricants; we export worldwide from European countries (like Denmark, Norway, Sweden) to South America countries like Peru, Uruguay, Chile. In the past, we made toll manufacturing for Esso, Mobil, Elf-Total, BP-Castrol and Shell in the past. Currently, we are producing JCB construction equipments' private label oils with their own JCB brand. We also supply the Hyundai car factory's first filling anti-freeze with our South-Korean partner.

The concept of our Tarmond brand is to offer the international standard quality at a value price. We can offer you best buy products in;

- Automotive Oils (synthetic and mineral engine oils and transmission oils, tractor oils)
- Marine Oils
- Metal working fluids (slideway oils, neat cutting oils, water soluble and synthetic cutting fluids, rust preventive fluids)
- Coolant for steel welded tube manufacturing
- Antifreeze/coolants
